RE: Certified Site Application

To Whom It May Concern:

The City of Bolivar has a combination fire department that consists of full time staff and pay per call staff. The department utilizes 2 fire stations with a total staff of 15 full time staff and 10 pay per call staff. In addition to the fire departments staff we receive and give automatic mutual aid to Central Polk County Fire Protection District and Morrisville Fire Protection District. In addition to automatic mutual aid we also receive and give mutual aid upon request to the entire Polk County area.

The city earned a Fire Insurance Rating (ISO) of Three (3) and has had this rating for approximately 10 years. There have been no changes in the last 2 years.

The nearest fire station to the entrance of the IDA property is approximately .56 miles as the crow flies, BCFD Station II. This station houses a fire engine, reserve fire engine, and a brush truck and is responded to by BCFD full time and pay per call staff. BCFD Station I is located approximately 1.89 miles as the crow flies and houses a fire engine, aerial truck, rescue truck, and reserve fire engine. This station is also responded to by BCFD full time and pay per call staff.

Feel free to contact me with above contact information if you have any questions or concerns.

Thank You,

James Ludden
Fire Chief
Bolivar City Fire Department
