

January 19, 2017

Subject: Industrial Park located at 1700 S Wommack Bolivar, Mo 65613.

The City of Bolivar provides municipal water to the above referenced site. The information in the table below is intended to provide the system and capacity data for our utilities as requested in the Missouri Certified Sites Comprehensive Resources Guide. Please contact me if additional information is needed.

4.7.4.2	Water system capacity = 4.32 MGD
4.7.4.3	Amount of excess capacity = 1.50 MGD
4.7.4.4	The site is served by one 16" diameter main with static operating pressure of 76 PSI.
4.7.4.5	A copy of our most recent (2015) CCR is attached.

Sincerely,

Jerry Hamby

Public Works Director
